"FRUIT-A-TIVES" Made Complete Cure of Stomach Trouble

MRS. FRANK W WALLACE

Moultonville, Carroll Co., N. H. 'An account I read about 'Fruita-tives' or Fruit Liver Tablets in one of our newspapers prompted me to try this remedy.

I was all run down and work was burdensome owing to Indigestion and Fuliness, due to gas on my stomach which caused me to belch a good dear My heart seemed to be affected.

It was two years ago that I was in this condition and began the use of 'Fruit-a-tives'. Even though the trouble had been of a few years standing, the use of 'Fruit-a-tives' proved the very remedy I required. I was freed of the Indigestion, which I attributed to my heart; and I can conscientiously recommend 'Fruita-tives' as a remedy of merit". MIS. FRANK W. WALLACE.

POLITICAL ADVERTISING

BACHAND

On the question of the "State Board of Charity" and "School Teachers."

I firmly believe in an increased apprepriation for our board of charity and probation. Said increase should be explicitly spent for aiding children by assisting the mother to care for them. No mother should be parted from her children on account of pov erty alone. Motherhood should be honored-childhood protected.

I firmly believe in an increased compensation for our school teachers, a serious matter whilh our next

It is said, and I believe it to be so that each man has his own peculiar for our ills. This address has been ambition. I can say, for one, that I heard by thousands of delightful aud- have no greater ambition than that of have no greater ambition than that of being truly esteemed by my fe'low-men by rendering myself worthy of their esteem. I have no wealthy or popular relations to recommend me. My fate is in your hands, and if noming at Wakefield, Mass., has returned inated and elected you will have conferred a favor upon me, for which I shall give you the very best there is in me. I may make mistakes, but no one can accuse me of being afraid to champion the cause of the people.

NOTICE TO CONTRACTORS

Scaled proposals will be received at the office of the State Highway Commissioner, Montpelier, Vermont, until 1 P. M. September 15th, 1920, and then publicly opened and read for the improvement of Sand Bar Bridge Culvert and Approaches, between the Towns of South Hero and

Milton, Vermont. The work to be done consists of the following approximate quantities: Removing old paving 233 sq. yds. Relaying old paving 233 sq. yds. 233 sq. yds. Laying new paying 6 cu. yds. 2-4 concrete 120 cu. yds.

1-3-6 concrete Rock fill, quarrying and placing 400 lin. ft Guard rail Fifty (50) piles One inch steel dowels Drilling for steel dowels 75 lin. ft.

Plans and specifications may be seen at the Office of the State Engin-eer, Montpelier, Vermont, Bidders should satisfy themselves, before bidding, as to the character of the work and the obstacles to be encountered. The estimated quantities return to school at Lyndon Institute are not guaranteed, but are given as Tuesday. This week-end she is in a basis for the comparison of bids. A certified check for \$1000 00 payable to the State Highway Commis to sioner, must accompany each bid. The right is reserved to reject any
